This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. A ROUND ROBIN

TO

J. M. BARRIE

From His Humble and Devoted Servants

THE ALPHABET

The Lord forgive if we transgress
Thus to familiarly address
  One of our betters.
But Jamie, do you no recall
The slate whereon you learned to scrawl
  Your Humble Letters?

Well we remember how you drew
Our shapely features all askew,
  Unflattering really.
You made A lame and B too fat
And C too curly—what of that!
  We loved you dearly.

From that first day we owned your spell,
And just because you used us well
  We served you blindly.
Why, even when you put us through
A fearsome Scottish Reel, we knew
  You meant it kindly.

Jamie, 'tis said Grand Tales there be
Still biding in the A B C—
  If this be true,
Quick Jamie! Cast your golden net.
Maybe we have the grandest yet
  In store for you.

A is for Adams

So A is for Adams, Oh! fortunate A!

Luck certainly seems to be coming
your way.

In the Days of my Infancy, A I recall

Stood for Ant or for Apple or anything
small.

Now A stands for Adams, Maude
Adams, Hurray!

I always *said* A would be Famous
some day.

APRIL

B stands for the Boys

B's for the Boys, all as Busy as Bees

They are building a Little House
under the Trees

With funny red walls and mossy
green roof

Where Wendy may live from danger
aloof

C is the Crocodile

C is the Crocodile Creepy who ate
The right hand of Hook and covets its mate
He makes a loud ticking wherever he goes
For he swallowed a Clock (To kill time I suppose)

D is for Doodledoo

D is the Dire and Dread DoodleDoo
With which Peter Daunted the Pirate crew,
And demolished a foolish old Proverb for good
By crowing before he was out of the wood.

995125A

E is the Exit

E is the Exit the three children made
With Peter and Tinker for guides,
Who's afraid?
They sailed through the window as
calm as could be
Like three little Cherubim out for a
Spree.

F is the Fight

F is the Fight, Peter Fought unafraid
And F is his Falchion (Poetic for Blade)
And F's the Fine Feeling all Fearless Boys Feel
When they give a Fierce Pirate a taste of Cold Steel.

G is Old Glory

G is Old Glory—that Peter upreared,
When Hook in the Crocodile's smile disappeared,
And the Decks were still wet with the terrible stains
Of *Invisible Gore* from the Pirate's veins.

H stands for Hook

I'm sorry for H, tho' I don't call Hook
mean

For wanting to Blow Up his own
Magazine.

I've known a Good Author blow up,
in a Huff,

A Magazine just for not printing his
Stuff.

I's for the Indian Girl

Peter Pan was too coy for the Indian
Miss;

She sighed for his scalp—all she got
was a kiss.

J is for John

J is for John (No, he hasn't a Pain;
He is Red-Handed Jack of the Pirate
Main)

K stands for a Kiss

K stands for a Kiss? Oh, stern
featured K!

Who would have suspected—*You'd*
leanings that way!

Peter called *his* a Thimble—(*I* think
it sounds tame

To call Kisses Thimbles—but what's
in a Name!)

L is the Lion

L is the Lion who lashed his Fierce Tail,

And did Peter Tremble? did Peter turn Pale?

Not Much! 'Twas the Lion who moved to adjourn,

He couldn't turn Tail, Peter left none to Turn.

M is for Michael

M is for Michael—ssssh!—whisper
it low!

In Pirate Circles he's called Blackbeard
Joe!

Napoleon
Nana

N is for Napoleon and Nana

N is Napoleon—Mystic—Profound

And N is for Nana the Noble Nurse Hound—

Two wonderful natures—each great in his way,

One's dead and the other is "Having his Day"

O's for Odds-fish!!

O 's for Odds-fish—the Pirate's Oath.

To print such a word, Gentle Reader,
I'm loth.

And should *You* be guilty of language
so low,

I should have to stop calling you
"Gentle," you know.

P is for Peter

P is for Peter, and so are we all,

May he ever keep young and his
Shadow stay Small.

Yet I think 'tis a pity the White House
is Bann'd.

As President, Peter would simply be
Grand!

Q is the Quiver

Q is the Quiver from which Tootles drew

The Arrow that nearly pierced poor Wendy through.

'Twas Peter's *Kiss Button* that stopped it—Ah me!

If Kisses *were* Buttons—how *safe* they would be!

R's for the Redskins

R's for the Redskins, who Guarded the Cave.

What a Treat to see "Injuns" sit up and Behave!

S is the Shadow

S is the Shadow—tho' not of much use,

You'd surely be Sorry if *Yours* Should get loose.

So See to your Shadow—be sure its on tight,

When Peter lost *his* he was in a sad plight.

T is for Tinker Bell

Poor Tinker Bell's dying, Quick! say
you Believe

In Fairies, that Tinker New Life may
receive

U is the Underground Home

U's the underground home mid the roots of the trees,

Where when not slaying Pirates, the boys take their ease.

While Wendy sits mending their shirt-waists and hose,

And the Redskins above Keep watch against foes.

V is the Verse

V's the Vile Verse that the Pirate
Bawled—

It was not his language so much that
appalled,

Nor the Tune—nor his Voice which
was Raucus and Deep

'Twas *the way that he sang it* That
made your flesh creep.

W's Wolves

W's wolves—'Tis said they will fly
If you look through your legs at them
straight in the eye.
That's how the Boys did it, but if I
were you,
I'd experiment first on a wolf in the
Zoo.

X is the X Ray

X is the X Ray by whose light alone,

This last fleeting picture of Hook may be shown.

Neverneverland
?MILES

Y is for Youth

Y is for *Youth* to which Peter clung,
But where is the land where he learned
to Stay Young?
Ask Peter, he'll tell you, Geography
scorning,
"Second Turn to the Right and keep
straight on till Morning"

FINIS

Z is the Zebra

Z is the Zebra the Boys *didn't* meet,
But without which no Alphabet's
really complete.
